- **When: year around**
- **How: TF SARG SAI T3 is an internal TF SARG train-the-trainer course made up of one OIC (O-4) and 17 x marksmanship SME trainers**

TF SARG – TANGIBLE BENEFITS

- **Better-trained Soldiers, faster**
- **Fewer total training hours – less time required on ranges**
- **Flexibility – Direct Support to TSB's plus Mobile Training Teams to alternate locations as required**
- **Saved costs in ammunition**
- **Better trained instructors and range support personnel**
- **Standardized weapons training across all mobilization stations**
- **Large pool of small arms subject matter experts to provide:**
 - **Advice / Expertise**
 - **Coaching / Training on ranges**
 - **Support to Range Operations**
